

STUDIO BERGTRAUN, ARCHITECTS, A.I.A.

April 29, 2009

To Whom It May Concern,

In my office's work with Ryan Chetaud and Chetaud Pro Builders I have found Ryan to be very forthright, dilligent and a good communicator: All extremely important traits for us in working through the management of construction projects.

Sincerely,

Alex Bergtraun, A.I.A.
President
